# Trinity Church News January 2026

## Decoration of Trinity

On the 12th January the church is being decorated throughout. Everywhere, both upstairs and down, will be painted. This will obviously cause some disruption due to the scaffolding and all materials being in the main body of the church. Therefore on the 18th and 25th we will be worshipping in Arthurs' room.

The decorators are aware of the need for Arthur's Room to be available on a Wednesday and the Lower Hall on a Tuesday. They will time their work so that the groups can meet - except Toddlers on the 13th.

**The Trinity Carol Service** was very well attended, both by church members and visitors. A team of Trinity regular members had put together a wonderful celebration of carols and readings. A massive thank you to all the organisers, including readers and our organist who accompanied us for a memorable occasion with traditional carols and music. Refreshments were again enthusiastically enjoyed after the service.

## Elim Church

As many of you know, Pastor Tan Sharp is retiring at the end of the year, having led his last service on Christmas Day. Trinity wishes Ian and Gail a happy retirement. Pastor Nick Whipps has been appointed to lead Elim in the New Year.

We wish you all a happy 2026 and look forward to welcoming regular and new friends
